Paradise Lost is an epic poem in blank verse by the 17th-century English poet John Milton (1608â€“1674). The first version, published in 1667, consisted of ten books with over ten thousand lines of verse. A second edition followed in 1674, arranged into twelve books (in the manner of Virgil's Aeneid) with minor revisions throughout and a note on the versification.

The Paradise Papers are a set of 13.4 million confidential electronic documents relating to offshore investments that were leaked to the German reporters Frederik Obermaier and Bastian Obermayer from the newspaper SÄ¼ddeutsche Zeitung. The newspaper shared them with the International Consortium of Investigative Journalists, and a network of more than 380 journalists.
