Health Systems Analysis for Better Health System Strengthening

Workplace politics is the process and behavior in human interactions involving power and authority. It is also a tool to assess the operational capacity and to balance diverse views of interested parties. It is also known as office politics and organizational politics. It is the use of power and social networking within an organization to achieve changes that benefit the organization or ...

Workplace politics - Wikipedia

This is a list of political topics, including political science terms, political philosophies, political issues, etc. Politics is the process by which groups of people make decisions. Although the term is generally applied to

behavior within civil governments, politics is observed in all human group interactions, including corporate, academic, and religious institutions.
