The road to empowerment: Seven questions every leader should consider. In order to feel that the system really wants empowered employees, individuals need a sense of social support from their bosses, peers, and subordinates. Employee efforts to take initiative and risk must be reinforced rather than punished.

### **The road to empowerment: Seven questions every leader**

Their implicit strategy for empowerment was: n Start at the bottom by understanding the needs employees; n Model empowered behavior for the employees; n Build teams to encourage cooperative behavior; n Encourage intelligent risk taking; and n Trust people to perform. These two perspectives are very differ- ent.

The Road. It is cold enough to crack stones, and when the snow falls it is gray. Their sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing,...
