Originally, the Emperor and non-warrior nobility employed these warrior nobles. In time they amassed enough manpower, resources and political backing, in the form of alliances with one another, to establish the first samurai-dominated government.

### **Samurai - Wikipedia**

Japan enjoyed a period of relative peace from 1600 to the mid-19th century. During this period, the samurai class played a central role in the policing and administration of the country. [citation needed] The bushidÅ• literature of this time contains much thought relevant to a warrior class seeking more general application of martial principles and experience in peacetime, as well as ...
