For all his fame and celebration, William Shakespeare remains a mysterious figure with regards to personal history. There are just two primary sources for information on the Bard: his works, and various legal and church documents that have survived from Elizabethan times. Naturally, there are many gaps in this body of information, which tells us little about Shakespeare the man.

The Shakespeare authorship question is the argument that someone other than William Shakespeare of Stratford-upon-Avon wrote the works attributed to him. Anti-Stratfordians – a collective term for adherents of the various alternative-authorship theories – believe that Shakespeare of Stratford was a front to shield the identity of the real author or authors, who for some reason did not want or ...
