In Christian theology, the beatific vision (Latin: visio beatifica) is the ultimate direct self-communication of God to the individual person. A person possessing the beatific vision reaches, as a member of redeemed humanity in the communion of saints, perfect salvation in its entirety, i.e. heaven. The notion of vision stresses the intellectual component of salvation, though it encompasses the ...

The foveal system of the human eye is the only part of the retina that permits 100% visual acuity. The line of sight is a virtual line connecting the fovea with a fixation point in the outside world.. The discovery of the line-of-sight is attributed to Leonardo da Vinci.. His main experimental finding was that there is a distinct and clear vision only at the line-of-sight, the optical line ...
